State full name of beneficiary

Mention the name of the beneficiary in full in the payment and do not use abbreviations. If there is not enough space, continue on the next line (address).

State the purpose of payment

If you make a transfer in favour of a bank account in Thailand, always state the reason for the transfer in clear English or use the Payment Purpose Code (see next pages). You can of course add a personal description in addition to the mandatory description.

Example:

Purchase of Goods (mandatory) Invoice number 1234 (free) or Payment Purpose Code: 318004 (mandatory) Invoice number 1234 (free)

Pay in another currency

Are you making a payment in THB or another foreign currency and only have a Euro account? Then ABN AMRO will buy the amount in that currency for you. It will then take a further two working days before ABN AMRO can transfer this amount for you. You make a payment in a foreign currency by selecting the desired currency in the transfer screen.

Are you making the payment in Euros and the recipient doesn't have a Euro account? Then the amount is converted abroad to the currency of the recipient's account. This can be disadvantageous because exchange rates abroad are usually less favourable than the exchange rate used by ABN AMRO.

National holidays

Thailand has its own national holidays on which the banks are closed. Please note that around those days it will take longer for your payment to be processed.

Currency calculator

Would you like an indication of the exchange rate used by ABN AMRO for your international transfer? To do this, go to abnamro.nl/valutacalculator

Is the credit date important?

Is it important that the amount is credited to the beneficiary on a specific date? Ask the ABN AMRO Payment Service Desk for the latest delivery times. You can reach us on working days from 08:00 a.m. to 5:30 p.m. via 020 - 629 80 77 (usual call charges).

Account number

A bank account number in Thailand does not have a standard format. The number of figures varies from bank to bank.

Please note!

Some banks require the bank code to be placed before the account number in the order.

Ask the beneficiary what the correct instructions are from the beneficiary bank.

Do not use spaces, dashes, comma or slash (/) in the number.

Disclaimer

The payee's bank may impose additional conditions on the payment order. ABN AMRO is not liable for any delays that may occur as a result.
