#### What do the words in italics mean?

In these conditions, the words in italics have a special meaning which is explained in the list of definitions.

#### How do you report that someone holds you liable?

Does someone hold an insured liable? Report this as quickly as possible. This is possible in two ways:

- ▶ you can call telephone number +31 (0)38 496 7123 (usual call charges);
- ▶ you can report the damage by means of a claim form. You can find the claim form on abnamro.nl You will find it quickly if you search using the words 'schade aansprakelijkheid'.

#### What changes are you always required to report?

You must report the following changes to us:

- ▶ if you move abroad. Then you will no longer be insured and the insurance will end;
- ▶ if your family situation as stated on the policy changes. Then we will adjust your premium accordingly.

Please note: You are required to report these changes within 14 days of their occurrence. If you fail to report a change on time, you could receive no or a lower payment in the event of damage.

#### What does your personal liability insurance cover?

Your insurance covers your *liability* as a private person in the event of *damage* or loss. If your policy includes other *insured* persons, then the *liability* of those persons as private persons is covered too.

Your insurance also provides cover for:

- liability for an overnight guest of you, who is not insured himself;
- ▶ liability for your domestic staff in relation to work carried out for an insured;
- liability for a pet/animal of an insured;
- ▶ *liability* for *damage* resulting from the provision of voluntary assistance (first aid) in the event of an accident or sudden onset of illness by an *insured* with a medical profession. Please note: This does not apply if this is covered or reimbursed on the basis of a law, provision or other insurance;
- ▶ damage due to a favour by an insured if this is his fault;
- damage by an insured who sports or plays. Please note: this does not apply to damage of a fellow player or fellow sportsman/ woman:
- damage by an insured who stays overnight with another person or who is babysat by another person. Please note: This does not apply if the other person is also to blame.

Please note: The cover applies, unless there is a situation that is never covered by your insurance. Therefore do not just read what is covered by your insurance, but also what is never covered.

#### What does your personal liability insurance never cover?

#### Your insurance NEVER covers liability for damage:

- ▶ to a *thing* of an *insured* or *another person* living at the same address;
- to digital data or software;
- ▶ due to an immovable property, houseboat or static caravan outside Europe;
- ▶ due to an immovable property, houseboat or static caravan that has been unoccupied for over 2 years
- caused by an intentional act or omission of an insured, if, from a neutral spectator's perspective, the damage caused was a normal or expected result of the act or omission of the insured. Please note: If there is no cover for damage, then any further damage arising at a later time is also not covered;
- ▶ due to acts of war or a nuclear reaction;
- caused or arisen before the beginning or after termination of your insurance;
- caused or arisen in relation to a business activity;
- caused by a weapon for which an insured has no licence;
- caused by a weapon which an insured uses as a hunter;
- ▶ as lessor, employer or employee. Please note: *liability* for your *domestic staff* is covered;
- ▶ if national or international laws or rules prohibit this;
- due to or with a motor vehicle, vessel or aircraft. Please note: liability for damage as a passenger or due to joyriding of another
  person your minor child is covered. However only if this is not covered by another insurance;
- ▶ due to or with an aircraft (including a drone) weighing more than 25 kg. Please note: This does not apply to *liability* for *damage* caused by hanggliders, parasailers, parachutes or paragliders;
- ▶ due to or with a *model aircraft* (including a drone) weighing up to 25 kg, unless the *insured* demonstrably complied with all relevant laws and regulations regarding use and possession at the time the *damage* occurred;
- ▶ to a *thing* that is in the possession of an *insured*. Please note: This does not apply for *liability* for *damage*:
  - up to €75,000 due to fire, explosion or overflowing water to a rented accommodation or a holiday-residence rented by an insured;
  - up to € 25,000 to household contents of another person that are in the legal possession of an insured;
  - up to € 12,500 to a *motor vehicle* or *vessel* of *another person* during *joyriding* by your minor child;
  - up to € 10,000 to medical equipment that was borrowed or rented by an *insured*.

#### What happens if someone holds you liable and what do we pay out?

#### What do we do if someone holds an insured liable?

Does someone hold an *insured* liable? Then *you* must report this to us as quickly as possible. *We* will then determine what has happened and whether the *damage* is covered. And the scope of the *damage*. *You* give us the information *we* need. What if an *insured* does not cooperate in the assessment of the *damage* or *you* fail to observe another obligation from the conditions? Then *we* may refuse to pay out a *damage*.

#### How do we determine whether liability of an insured is covered?

In order to determine whether *liability* of an *insured* is covered *we* use these conditions, your policy and the information *we* have received.

#### How do we calculate what amount will be paid out if liability is covered?

We calculate the payment on the basis of the damage for which an insured is liable. In case of damage to a thing, we take the current market value as the starting point for the payment. Does an excess apply? If so, we will deduct that from the payment and pay out the remaining amount. We may also compensate the damage in kind. And we may also settle the damage directly with the person who has suffered the damage.

Please note: Does your policy or do these conditions set out a maximum insured sum? Then we will pay out that sum as a maximum.

#### What other costs do we reimburse if liability is covered?

In excess of the sum *insured*, *we* reimburse the statutory interest on the *damage* and the reasonable costs of an *expert*. *We* also reimburse other costs that *you* incur with our permission. These other costs are:

- necessary legal expenses;
- a security deposit up to a maximum of € 100,000. You authorize us and help us to get this amount back.

#### What other agreements are there?

#### When does your insurance start?

The insurance starts on the starting date. The starting date is on the policy.

#### When does your insurance change?

This insurance will be changed on the date of change. The date of change is on the changed policy. The policy that *we* have issued previously expires as of the change date.

#### In what situations may we change your insurance?

We may always change the conditions or premium of your insurance on the revision date. We may also change your insurance at other times:

- ▶ Have you reported a change in the risk? Or are the details on the policy incorrect? Then we may change the premium or conditions.
- ▶ Do we want to change the insurance for a specific group of insurances or policyholders at the same time? Then we may change the premium, conditions or discounts on a date we choose.

Do *you* not agree to a change? Then *you* may terminate the insurance. The insurance will then end on the date of change. What if *you* do not terminate the insurance? Then *you* accept the change.

#### When may you terminate your insurance?

You may terminate your insurance at any time without giving any reason. You must give notice of the termination of the insurance 30 days before the desired termination date.

#### When may we terminater insurance?

We may terminate or decide not to renew your insurance on the revision date. The revision date is on the policy. We must give notice of the termination of hte insurance 60 days before the revision date.

We may also terminate your insurance in the following situations:

- within 30 days after damage has been reported, rejected or paid out;
- if an insured person provides incorrect information, or commits fraud or deception;
- ▶ in the event of changes which *you* must report;
- if the ABN AMRO bank account, linked to this insurance, is closed;
- ▶ if *you* have not paid the premium despite a warning.
- ▶ in the event of threatening or insulting *behaviour* by *you* or another *insured* towards us;
- ▶ if *you* submit an above-average number of claims.

#### When and how do you pay the premium?

You pay the premium around the 1st of every month. This date is called the premium due date.

The insurance premium, costs and insurance tax will be automatically deducted from your account. If this fails or *we* do not receive any premium? Then *we* will send *you* a warning. And if *you* still do not pay afterwards? Then cover automatically lapses 15 days after *we* have sent *you* a warning and the insurance ends.

#### **Transfer or time-barring**

In the event of  $\ensuremath{\textit{damage you}}\xspace$  cannot transfer any objects to us.

Claims will be time-barred 3 years after a payout has been made. Or 3 years after the damage arose and you did not report it to us.

#### **Complaints**

If you have a complaint about this insurance or our services, then you can file this complaint with us using a complaints form. You can find the complaints form easily by searching for 'complaint' on our website at abnamro.nl. If you are not satisfied with the outcome, then you can submit your complaint to the independent financial services complaints tribunal "Klachteninstituut Financiële Dienstverlening" (Kifid), Postbus 93257, 2509 AG Den Haag, or via kifid.nl. #### Protection of privacy and electronic recording

We are bound by the "gedragscode Verwerking Persoonsgegevens Financiële Instellingen" [Code of Conduct for the Processing of Personal Details by Financial Institutions]. This code of conduct can be found on verzekeraars.nl if you search for 'gedragscode'.

Do we communicate with each other electronically? For example, via internet, e-mail or telephone. Then we can record this communication electronically. As proof or to improve the service.

#### How do we protect you and ourselves against intentionally incorrect information, deception or misleading information?

We presume that we will be informed correctly and completely. If there is a suspicion of intentionally incorrect information, deception or misleading information we can carry out an investigation. We do that in accordance with guidelines of the Verbond van Verzekeraars. Because we work together with Nationale Nederlanden, we also follow their guidelines. You can find more information about this on abnamro.nl/kkv.

After carrying out an investigation we will make a decision. For example, to immediately terminate the insurance or not to make a payout. We may also terminate other insurances you have taken out with us. In addition we can decide to demand repayment of payouts and seek recovery of the investigation costs. We can also report the matter to the police. All these measures are to ensure that you do not pay unnecessary premium because others do not handle their insurance properly.

To allow us to conduct a responsible acceptance, risk and fraud policy, we may examine and record details about you and your insurance policies in the central information system (CIS) of the insurance companies operating in the Netherlands (Stichting CIS). The objective of the personal data processing at Stichting CIS is to manage risks and combat fraud for insurers and authorised agents. You can find the privacy statement of Stichting CIS on their website. #### **Sanctions regulations**

Sometimes, national and international (sanctions) rules may forbid us to conclude an insurance agreement with *you*. The insurance does not come into being if *you* or another interested party is on a national or international sanctions list. As *we* check this retrospectively, a 'condition subsequent' applies. The condition subsequent is: "The agreement will only be concluded if it does not appear from testing that it is prohibited, on the basis of sanctions rules, to provide financial services for or on behalf of: policyholder; *insured* parties, co-*insured* parties and other (legal) persons who could benefit from the existence of the agreement; representatives and authorised representatives of the policyholder's company; ultimately beneficial owners of the policyholder's company".

#### **Dutch law**

This insurance is governed by Dutch law. Does a dispute result in a dispute before a court? Then, the dispute is submitted to a court in the Netherlands.
